The novel questions: - How much of who we are is defined by our faces, memories, or societal labels? - Can a person truly be erased, or does some part of their essence

persist despite external changes? - The impact of external forces—political regimes, social stigma, personal trauma—on the formation and preservation of self. Through characters whose faces are literally or metaphorically erased, the novel illustrates the discomfort and alienation that come with losing one's sense of self. - The ways in which memories can be manipulated, suppressed, or lost.

- The role of authoritarian regimes or oppressive organizations in erasing identities to maintain power.
- The use of face erasure as a metaphor for censorship, conformity, and social conformity.

Its poetic prose, complex characters, and deep thematic layers make it a rewarding but demanding read. The novel is particularly resonant in contemporary contexts where issues of identity, memory, and societal control are highly relevant.
